

Mrs. Mathews' Friday Flyer
Fantastic Fourth

Starling Elementary School
November 2013

Current Skills -

Math:

Students are currently learning the following concepts in math:

- identify visual and written representations of fractions
- understand representations of simple equivalent fractions
- understand the concept of mixed numbers with common denominators to 12
- convert mixed numbers to improper fractions and improper fractions to mixed fractions

Language Arts/ Reading:

Students will continue working on reading stamina and should be reading every night. We are focusing on character analysis and close reading. Our focus in grammar is verbs and editing our mistakes in writing.

Science:

Students are currently learning about our solar system. We are identifying the planets and their features, learning about stars, and the phases of the moon.

Social Studies:

We have started learning about the 13 colonies. Our first focus will be on the New England colonies. Next we will talk about the Middle Colonies, and end with the Southern Colonies. This will bring us into the study of the Revolutionary War.

Reminders:

Accelerated Reader

Your child should be reading every night and earning AR points. You can now check your child's AR report at home.
